3. Applications for all uses of school facilities shall be submitted to the Activities Office at Urbandale High School.
4. The District Facility Coordinator will make the final decision and assign fees and additional requirements as appropriate.
5. The application must be received at least seven (7) business days prior to the facility use. Submission in advance of these dates will not guarantee approval of your application. Multiple Uses: A single application may be made for a series of meetings of like character to be held at the same school facility. However, separate applications must be submitted for each school facility requested for use.

Cancellation: The applicant shall give at least two (2) business days notice to the Activities Office of any cancellation of previously scheduled facility use. In the case where proper notice is not given, the District may charge for any expenses incurred and cost recovery or rental fees will be assessed.

Permits (if necessary): Applicants are responsible for obtaining any required permits and for satisfying all city, county, state and federal codes and regulations associated with the proposed activities.

Appeals: The District Facility Coordinator possesses the authority to make the final decision on the use of school facilities and the appropriate charges. However, the applicant may appeal such decision to the Superintendent under the District's Complaint Procedure Policy 229.
